

Project Name: FitBuddy - AI Workout Generator

Team ID: SWTID-2026-2770

Ideas Discussed:

1. Generic Calorie Tracker
2. Basic BMI Calculator
3. AI-Driven Personalized Workout Planner

Idea Selected & Reason: We selected the "AI-Driven Personalized Workout Planner".

Reason: Standard fitness routines don't fit everyone. Leveraging Gemini AI allows us to dynamically generate custom 7-day plans based on individual age, weight, and goals, providing a highly personalized user experience.
